

November, 2008
Sony Corporation

We recently learned that a list to specify software which is subject to the GNU Public License (GPL) and/or the GNU Lesser General Public License (LGPL) had been inadvertently omitted, while the models of IP Network Camera below have included such software.

SNC-P1
SNC-P5
SNC-DF40
SNC-DF70
SNC-RZ25
SNC-CS10
SNC-CS11

Therefore, we identify such software and the applicable terms and conditions of GPL/LGPL as attached.

We apologize for causing inconvenience to you but would highly appreciate having your kind understanding.
